

“before this  
decade is out  
[to] **land a man  
on the moon  
and return him  
safely to earth**”

Strategy is a **coherent plan** to  
**achieve a goal** that will lead to  
**significant positive change** ←●

What  
significant  
, positive  
change is  
it trying to  
bring  
about?
